

**6th Grade Math**  
**Academic Excellence Certificate Requirements**

**Quarterly Certificates**

**Students must do all of the following:**

- Achieve proficiency on the benchmark assessments
- Score a 4 on all Math 6 CFA's
- Complete all work to a level 4 standard

**Quarter 4 Option:**

You may want to give COMPLETION certificates for your digital programs. These are not Academic Excellence Certificates. This is for the end of the year.

**6th Grade Science**  
**Academic Excellence Certificate Requirements**

**Quarterly Certificates**

**Students must do all of the following:**

- Tests: Must get at least an average of 93% on tests during the strand/quarter
- Work: No missing assignments
- Extended Activity: One per strand/quarter

**6th Grade Language Arts**  
**Academic Excellence Certificate Requirements**

**Quarterly Certificates**

**Students must do all of the following:**

- For Quarters 1-4. Students will demonstrate learning above proficiency on Language Arts standards as measured by Common Formative Assessments.
- Teams at schools should decide on a consistent practice at the school.
