            - $1,000.00 (Supplies-PBIS)-school store, attendance rewards, grade rewards, etc.

- $20,797.36 (Supplies-Technology)-chromebooks, batteries for chromebooks
    - Question: Is keeping them in the classroom helping with longevity helping? Yes. And it's helping to block games.
    - Biggest concern is battery expansion. Replacing before it's a problem.
    - Many teachers are pulling back from using technology everyday. Every classroom needs them as textbooks and for assessments.
    - Huge difference with cell phone ban this year.

- Academic Data
    - Growth & Proficiency Data from last year's RISE assessments
        - Growth -
